Dental Blue Connect

FIVE Reasons Dental Blue Connect is the Plan For You

1

NO ANNUAL MAXIMUM, NO DEDUCTIBLE

With no annual maximum and no deductible, you will never exhaust your dental coverage and you don't need to satisfy a deductible before you can receive benefits.

2

PREDICTABLE, LOW OUT-OF-POCKET COSTS

Out-of-pocket costs for covered dental services are predictable, low copayments. Combined with the low premium, you and your family won't be surprised by any unknown costs.

3

ORTHODONTIC BENEFITS FOR ALL AGES

Orthodontic coverage is included for adults and children. With no waiting periods and a predictable, low copayment, members have access to affordable orthodontic care.

4

EXCEPTIONAL PATIENT SATISFACTION

Willamette Dental Group is dedicated to creating the best patient experience possible. With an average score over 90 percent on a patient satisfaction survey, Willamette Dental Group is doing something right.

5

PROACTIVE DENTAL CARE

Through dentist-patient partnerships, we focus on promoting your long-term health rather than merely correcting what is bothering you today.
