

CITY OF  
**REXBURG**  
*America's Family Community*

## **Resolution 09-02-1970**

City Councilman Richard Davis presented the following Resolution and moved its adoption, which was seconded by Albert Pieper and unanimously carried:

WHEREAS, the city of Rexburg has had a large increase in population and it appears that this trend is certain to continue.

BE IT RESOLVED that the City abandon the previous program of adding a treatment facility and instead propose to have a detailed engineering study made of treatment facility with the intent of construction a separate aerated lagoon with capacity to handle the sewage load for Rexburg for the next twenty (20) years. This project to be constructed when the existing facilities approach an overloaded condition.
