## **Resolution 06-23-1976**

The City Council, of the City of Rexburg, hereby requests that the Department of Housing and Urban Development follow the City of Rexburg Mobile Home Ordinance as closely as possible in establishing trailer courts providing temporary housing for victims of the Teton Dam Flood.

We urge that trailer courts that have been in operation be rebuilt as rapidly as possible, that individuals who have lost homes be given the opportunity to place mobile homes on their lots where sewer, water, and power service is available, and that mobile home parks that were in the planning stage such as the property owned by AMR Corporation, be used for temporary mobile parks.

I, Afton Anderson, City Clerk of the City of Rexburg, do hereby certify that the above is a true and correct copy of a resolution passed and approved by the City Council of the City of Rexburg on Wednesday, June 23, 1976.
