

**Resolution #2014-05**  
**Rexburg-Madison Airport Board**

Whereas, the Rexburg-Madison Airport Board is charged with the maintenance, operations and management of the Rexburg-Madison Airport; and

Whereas, said maintenance, operations and management includes the efficient and equitable use of all areas currently within the approved Airport Layout Plan; and

Whereas, the area commonly used for temporary tie-down of aircraft is within the approved Airport Layout Plan;

NOW THEREFORE BE IT RESOLVED that in order to manage the tie-down area in an equitable and efficient manner, any aircraft within the tie-down area for a period of 90 days or more without being utilized shall be notified of the policy restricting use of the tie-down area for temporary operational aircraft, and shall be given 30 days to remove the aircraft. If after 30 days from notice, the aircraft remains in the tie-down area, the Rexburg-Madison Airport Board shall be entitled to collect a tie-down fee of \$100.00 per month until the aircraft is removed.

PASSED AND APPROVED THIS \_\_\_\_\_ day of January, 2014.
