**REXBURG**  
*America's Family Community*

October 2, 2017

## **DRINKING WATER CLEAN**

### **New tests show no bacteria found in Rexburg's water**

## **BOIL ORDER CANCELLED**

The City of Rexburg has received the third set of sample results from an independent lab for water testing. All samples have come back negative for bacteria. The Idaho Department of Environmental Quality has also come and completed a level II assessment or separate analysis and rescinded the limited area boil order.
