Run N' Ride Duathlon (Ages 4 and Up)

Start your Heritage Festival day off right by participating in the first annual Run N' Ride Duathlon sponsored by Wolfe Lighting & Accents. The race begins with a running portion and transitions once to a cycling portion. Both parts can be accomplished individually or in teams. Each participant will receive a race shirt and finisher medal. Prizes will be given away to top finishers, as well as winners of different age brackets. There will be Sprint, Olympic and a Kid's category. The Kid's race will be split between ages 4-7 and 8-12.

Registration and course map link at RexburgRaces.com.

Tater-Tot Sports Camp (Ages 3-5)

Get your little ones started early with the Tater-Tot Sports Camp. The camp is a "mommy/daddy and me" style class that meets once every Tuesday and Thursday. Each class will have an instructor who will help lead you and your child through fun tasks, drills and games for a specific sport. At the beginning of each month we will start a new camp and a new sport.

The emphasis of the camp is to build a positive relationship between parent and child when it comes to playing sports, encouraging healthy lifestyles, and just to let your little ones get some energy and wiggles out. Morning and afternoon sessions will be offered.

The Zone Youth and Adult Sports Leagues

Dribble, shoot, and score! Starting in October, The Zone will be running youth and adult sports leagues. Indoor soccer, volleyball, and youth girls basketball will all be offered in the fall. Practice times will be given out to youth teams during the week. You can register, check prices, and dates on Rec1.com

Team and individual registration is due 2 weeks before the league starts.
