4. **New Business:**

Virginia Pratt- I have been wondering if there is anything that can be done about 7th South being a runner's heaven. It doesn't seem that there is any need for four lanes at this time, but runners should not be using them. An idea that probably won't fly, but what if the two outside lanes were closed to traffic and painted to be for runners and bikers? When the traffic warrants it, the road could go back to four lanes for vehicles.

Jerry Merrill- concerns about access on the on/off ramp at the Main Street US 20 interchange. Also would like an update on parallel parking in front of the police department.

5. **Open discussion of relevant issues:**
