Mayor Larsen opened the work meeting to review the “University Boulevard-South 12th West Urban Renewal Plan”. Harlan Mann presented the plan in preparation for a public hearing on the plan on the 19th of December, 2007.

Finance Officer Horner reviewed specific areas in the plan explaining the amounts in several spread sheets. There was discussion time spent reviewing the spread sheets. The timing for incoming revenue was reviewed in the plan. Harlan Mann said the revenue projections were not set in stone. The initial revenue stream (projected at \$53,000 starting in 2009) will be the first year of revenue for the 15-year plan.

Mayor Larsen indicated items on the City Council agenda for December 05, 2007 would be addressed on the agenda for December 19, 2007 because the meeting was canceled for the lack of a quorum.
