## FIREWORKS STAND PERMIT REQUIREMENTS:

1. The permit will be displayed in public view at the location listed on the permit.
2. The Name, Address, and Telephone Number of the **LOCAL** operator as well as the subcontractor or owner, shall be posted within the fireworks booth.
3. Age of seller at stand must be 16 or older.
4. Fireworks cannot be sold in an established dwelling.
5. The permit shall be nontransferable.
6. A stand shall not be located within twenty-five (25) feet of any building or within one hundred (100) feet of the nearest fuel dispensing device.
7. A stand shall have two (2) exits, each a minimum of thirty (30) inches wide at each end of the stand or as near the end as is practical in a mobile home conversion. One (1) additional door is required for each thirty-two (32) feet of rear wall in excess of thirty-two (32) feet. All doors shall open outward from the stand and shall be kept unlocked and unlatched during the hours of operation and free and clear of supplies and materials at all times.
8. A stand shall have at least two (2) fire extinguishers with a 2A minimum rating, in good working order, with a current inspection tag in place, placed near the exits in a visible and readily accessible manner.  
(IFC 2009, 906.6,7,9.1 – Extinguishers must be hung, unobstructed, and the top no more than 5 ft. high and the bottom no less than 4” from floor.)
9. “No Smoking within 25 feet” signs shall be prominently displayed on all four (4) sides of the stand. Smoking shall not be permitted inside the stand.
10. The fireworks stand operator shall not permit the discharge of fireworks within twenty five (25) feet of the stand.
11. The stand operator shall not allow any rubbish to accumulate in or around the stand causing a fire nuisance.
12. Fireworks shall not be left in the stand when it is not open for business unless the stand is locked or secured. If fireworks are not stored in the stand they shall be stored in compliance with section 39-2608, Idaho code.

**A. Additional inspection items:**

Proper use of extension cords (i.e. not running across the parking lot where cars can drive over them)

\* Good housekeeping

\* Generators should be out of traffic but placed behind the stand so as not to become a fire hazard

\* 1 non-combustible trash can with lid for damaged inventory

\* Old electrical wiring that is not being used needs to be removed

I agree to comply with the above Regulations: \_\_\_\_\_
