CONDITIONS OF PERMIT:

In order to prevent possible contamination from backflow of the Rexburg city water system, any persons or entity desiring to obtain water from a city fire hydrant must comply with the following:

1. Obtain a written permit from Rexburg City Hall, 35 N 1st East, before attempting to take any water.
2. Take water only from the one fire hydrant designated by the city water department.
3. Check out the backflow and metering device from the city water dept. to be attached to the fire hydrant agreed upon by the user and the city water deptment.
4. As indicated above a deposit will be required on any metering device. Any damage to or loss of the device will be paid for by the user. After any use, repair, or replacement charges are deducted ,the balance of the deposit will be refunded to the user. (City water dept. will conduct a final inspection.)
5. The fee for any water obtained through the metering device is as follows:
 Fee: 1 – 1,000 gallons \$10.00 Each 1,000 gallons thereafter : \$5.00
6. A \$50.00 maintenance fee will be assessed each year for maintenance on the meter.

Any person or entity not complying with this policy shall be assessed a penalty charge of \$400 in addition to the normal charge for the water taken.
