Mayor's Message

It must be spring, I'm already sneezing and I can't seem to get the sand and grit out of my eyes after that weekend wind storm. I feel bad for the real estate agents. There was a great deal of property exchanged and not a one of them received a commission for it. I'm also hoping this letter will help me locate the owner of the anvil that blew into my yard on the last Saturday in March. This spring however is one of the best we have experienced at our house. I hope it hasn't been too hard on others. I do know, however, that there were a few damaged roofs and some serious soil erosion.

I enjoy the rare opportunities to visit with those delightful citizens at our local Senior Citizen Center. There is always lively chatter and even serious conversation. There is also fierce competition in the bridge games. They have Bingo, too. I believe what I enjoy, besides the polite conversation, are the delicious meals at a really reasonable price. I would implore any of you, who are aware of a shut-in, please help them to attend. It might make your day as well as that of the shut-in. Anyone is always welcome. You might consider volunteering as well. Every time I go there I always come away feeling better. Speaking of feeling better about things, I attended an awards ceremony at our Rexburg Police Department where the officers involved in the shooting on January 24, were honored for valor. I can think of none more worthy of these awards. I arrived at the "scene" just minutes after the event and observed their demeanor and conduct. I kept my mouth shut. It seems that one can learn so much more with a closed mouth. I was indeed impressed! After the event, I was able to hear the recordings and see the video. They were very concerned for the perpetrator. They repeatedly tried to get him to put down his weapon. Only when he fired upon them did they return fire. They stood their ground! They took fire! I am impressed and thankful for a great Chief of Police, Shane Turman. I am thankful that none of our officers or our Madison County Deputy was wounded. We can all be thankful.

Thanks to Dan Hanna who has served many years on Planning and Zoning. Thanks to all of the many volunteers who serve and have served without much remuneration. Oh, they get a turkey for Christmas, not much for all the valuable work that is done on behalf of our community. They, too, stand and "take fire" in battle of public opinion in efforts to make our community better. I want to also mention our City and County officials and staff who also "take fire" in their dedication to duty and the community. It is not an easy thing! Thank You All!

Spring Yard Cleanup - March 30-May 8
Materials to be picked up must be out at the curb and not in the alleys or right next to garbage cans. We will try to pick up materials on your scheduled garbage pick up day. Please bag or bundle materials as much as possible so that they may be picked up by hand. If the City has to use heavy equipment to load trees, branches, etc. then you will be notified and you may be charged for the use of that equipment. Limbs & branches should be bundled and cut no longer than 6 feet.
