### Mayor's Message

April is almost here as of this writing. It seems as if we have dodged the bullet for the most part on the drought, however it is still a possibility. City streets are being swept. Pot holes are being filled, and projects are getting underway for the coming road repair season. We will see a significant change at 1<sup>st</sup> North, and second west. There will be much less confusion near the grain elevator area and a vast improvement in safety. This project has been in the works for a long time. We greatly appreciate the cooperation of the affected business owners.

There has been some confusion in the number of hearings for zone changes. The rule was changed to one hearing over eight years ago. That is the normal process, however, on rare occasion a second hearing has been granted at the discretion of staff and the City Council. We are sorry for any misconceptions that may have arisen.

The Downtown Revitalization and Beautification Committee has been re-vitalized. We want to give a special thanks to Melanie Davenport and others who have dedicated a great deal of time to make it happen. You are invited to share concerns and ideas to the cause. You may contact the Chamber of Commerce or Melanie Davenport.

The state of the City of Rexburg is excellent. This is due in large part to the efforts and astute administration of our Chief Financial Officer Richard Horner. Richard has tendered his resignation and will retire on May 3<sup>rd</sup>. We will miss him; however the terms of his retirement will be that he will be available on a limited basis to help the City. His institutional knowledge is invaluable. He has agreed to help in the transition and assist us whenever the need arises. Richard Horner has worked for the City of Rexburg for nearly 34 years. He has been a dedicated employee with nothing but the citizens of Rexburg's best interest in mind. The state of the City of Rexburg is extremely good because of men like Richard Horner. He will be replaced by Matt Nielson who has been serving as Deputy Finance Officer for a number of years. Thank You Richard Horner for your years of dedicated service!

I want to close this newsletter with a poem written by Dr. Robert Schuller in 1926.

People are unreasonable, illogical and self-centered. Love them anyway.

If you do good, people will accuse you of selfish ulterior motives. Do good anyway.

If you are successful, you will win false friends and true enemies. Succeed anyway.

Honesty and frankness will make you vulnerable. Be honest and frank anyway.

The good you do today will be forgotten tomorrow. Do good anyway.

The biggest people with the biggest ideas can be shot down by the smallest people with the smallest minds. Think big anyway.

What you spend years building may be destroyed overnight. Build anyway.

Give the world the best you got and you will get kicked in the teeth. Give the world the best you got anyway.

-Richard S. Woodland

**SPRING YARD WASTE CLEAN UP** The proposed dates are April 7- May 19, 2012. Materials to be picked up must be out at the curb and not in the alleys or right next to garbage cans. We will try to pick up materials on your scheduled garbage pick up day. Please bag or bundle materials as much as possible so that they may be picked up by hand. If the City has to use heavy equipment to load trees, branches, etc. then you will be notified and you may be charged for the use of that equipment. Limbs & branches should be bundled and cut no longer than 6 feet.

# Recycling collection weeks!

Please place your container out on your regular garbage day, but only when listed below.
