closed May 26 for Me-
morial Day**

Mayor's Message

I visited the other day at City Hall with Bernie Jensen, a Rexburg, Ricks College, BYU-Idaho fixture, if there ever was one. He is a delightful person. He personifies what a professor ought to be. Always caring for his students, neighbors, and ever being a mentor, and a friend. He taught for over forty years. He and his lovely wife Carol lived together many years in a beautiful home behind the 4th ward meeting house. They opened their home and brought joy and awe every Christmas to countless people who came by to see the incredible decorations in their home. They gave a gift to others.

There are many people who have influenced and had an effect on my life. Bernie Jensen is one such man. I think also of the Hepworth boys. They were some of the first people to befriend Lori and me when we moved here so many years ago. Their friendship was and is extended to all they come in contact with. They are constantly helping others less fortunate than themselves. Many of those seem to be the downtrodden of the world. They are commonly people that most folks would try to avoid. Not so, the Hepworth boys look after these people, and others. They looked after Lori and me.

There are many others that have mentored and educated me. They have helped me to see the value of "Good Works". To this end, I urge you all to participate in the upcoming election. I have heard it said by some residents of the cities, "Oh I don't need to vote, these are County positions". Well if, you live in Sugar City or Rexburg, you live in Madison County and should take an active role in the upcoming elections. When I say that we should take an active role in the upcoming election, I mean to say that we should educate ourselves on the issues that affect us all. Most importantly we must learn of the Candidates. Not in just a cursory way, but we should learn of their character as we assess them based upon their "Good Works". It is easy to go on someone else's say-so; however we need to vote on peoples merit and past performance.

The City of Rexburg is doing well! We are excited for spring, (if it gets here) and look forward to the many activities scheduled for this coming year. Thank You All!

-Richard S. Woodland

SPRING YARD WASTE CLEAN UP The proposed dates are April 7- May 19, 2012. Materials to be picked up must be out at the curb and not in the alleys or right next to garbage cans. We will try to pick up materials on your scheduled garbage pick up day. Please bag or bundle materials as much as possible so that they may be picked up by hand. If the City has to use heavy equipment to load trees, branches, etc. then you will be notified and you may be charged for the use of that equipment. Limbs & branches should be bundled and cut no longer than 6 feet.

June 14th

MARATHON | HALF-MARATHON | RELAY | 10k | 5k
