NOVEMBER 2014

Mayor's Message

I write this letter on the eve of Halloween. By the time you receive it, probably, all of the loose candy wrappers and chunks of broken, withered pumpkins will be gone. You will then be thinking of the coming of Thanksgiving and a fast approaching Christmas.

We have so many festivities in the coming months that one celebration is often nearly forgotten. I am speaking of Veterans Day. It will be held November 11th, which is a Tuesday, at Smith Park. There will be a wreath laying, music, and a fly-over. It is a good time to remember all those who have served. When I say this I am reminded of the pioneers of this community as well.

I have read David L. Crowder's great book, Rexburg, Idaho: The first one hundred years, 1883-1983. There are many amusing as well as inspiring stories and great quotes. One from Deseret News says, "Rexburg is the largest town in Fremont County, having a population of about one thousand four hundred souls. It has two semi-weekly newspapers and the population grows daily. Saturday, and almost every day, the main street is filled with teams... The future of the 'Burg' is great and if you want your hat knocked off, just say otherwise. The people love their town and its coming greatness and The Snake River Country, which is in its infancy, no man at this time can foretell." Another is from Crowder's book that states, "The Rexburg citizens certainly agreed with this optimistic assessment at the start of the twentieth century."

I agree as well in the sense that I think the thing that I appreciate most is the enthusiastic attitude of those early days. As we read the histories we get a sense of the greatness of the generations that have passed before us. What will be our contribution?

The City of Rexburg is doing well. I want to thank, our workers, all, who keep this 'Burg' running. The waste water facility is in good hands! City Streets are much improved this year! I often hear comments on how clean our town is: the parks, the streets, and the homes. These comments come from people outside our town.

Thank you all! May we remember our veterans, may we remember the past, may we be reminded that there are great things in our near future, and may we take part in helping our community along. We can do great things as private citizens just like the early residents of this 'Burg' and the vets who helped to make the world a greater place.

-Richard S. Woodland

FALL CLEAN UP October 20-November 17. Materials to be picked up must be out at the curb away from your garbage can. Our Street Department will try to pick up materials on your scheduled garbage pick up day, but may be a day after. Please bag or bundle materials as much as possible so they may be picked up by hand. If the City has to use heavy equipment to load trees, branches, etc. you will be notified, and may be charged for equipment use. Limbs & branches should be bundled and cut no longer than 6' lengths. We will not be able to pick up bagged sod.

 The Rexburg Tabernacle Orchestra will present their free Fall Concert Wednesday, November 12, 7:30 pm in the Rexburg Tabernacle and will feature the 3 B's of famous composers, i.e. Bach, Beethoven and Brahms. Dr. Kevin Call is returning from leave as the conductor of this community ensemble. It is sponsored by the City of Rexburg and the Rexburg Arts Council.
