OCTOBER 2014

Mayor's Message

As of this writing, it is still raining! Hopefully, by the time you receive this message, farmers will be digging spuds. This has been a very unusual year for our area and possibly disastrous, financially, to area farmers. We should pray for them.

The City of Rexburg is doing well. The measures taken in the last months have been effective in controlling run-off water and in the protection of our wastewater treatment facility.

The City Parks are being put to bed for the winter and I would like to thank our parks department for their excellent service. The tennis court at Porter Park is being refurbished, weather permitting. There will soon be a parking lot at Evergreen Park. It seems that there is so much to be done as winter approaches. There are improvements being made at the Romance Theater and most of the changes will be finished as we move into the opening of the Rexburg Arts Council's Fall Season. The Romance Theater is gearing up for another season of classic and family friendly movies. Shows are every Wednesday evening starting at 7:00. I am told that admission to these movies is only 50¢. Now that's a bargain.

The City appreciates all the hard work that community members have shown in their participation with the arts. Particular thanks needs to be given to the Rexburg Community Theatre who have again arranged to perform "*A Christmas Carol*". Also, this month on October 17, 18 and 20, the Arts Council will present "*Oh What a Night!*", a collection of popular performances from Broadway and Hollywood. Some of our local celebrities – Missy Babcock, Jake Chamberlin, and Preston Pugmire, to name a few, will perform with other talented singers to help raise money for the continued restoration of the Romance Theater. I am very impressed with the amount of talent that we have in our small city and encourage you to come support the arts this fall.

I also want to thank the Recreation Department, as they have accepted to take over the annual River Rock Youth Triathlon. After five years of putting on this event, the non-profit organization, Life Active has turned this event over to the city to ensure its continuation. Life Active has not only done a marvelous job of putting on this event, but has also given away thousands of dollars to youth in our area to participate in athletic activities.

FALL CLEAN UP October 20-November 17. Materials to be picked up must be out at the curb away from your garbage can. Our Street Department will try to pick up materials on your scheduled garbage pick up day, but may be a day after. Please bag or bundle materials as much as possible so they may be picked up by hand. If the City has to use heavy equipment to load trees, branches, etc. you will be notified, and may be charged for equipment use. Limbs & branches should be bundled and cut no longer than 6' lengths. We will not be able to pick up bagged sod.

 The Rexburg Tabernacle Orchestra will present their free Fall Concert Wednesday, November 12, 7:30 pm in the Rexburg Tabernacle and will feature the 3 B's of famous composers, i.e. Bach, Beethoven and Brahms. Dr. Kevin Call is returning from leave as the conductor of this community ensemble. It is sponsored by the City of Rexburg and the Rexburg Arts Council.
