BE IT ORDAINED BY THE CHAIRMAN AND BOARD OF TRUSTEES OF THE VILLAGE OF REXBURG, IDAHO;

**SECTION I** – That each and every owner of lots No. 2 and No. 3 in Block No. 34, on the West side of said block; and each and every owner of lots No. 2 and No. 3 in block No. 35 on the west side of said block; and each and every owner of lots No. 2 and No. 3 in block No. 20 on the west side of said block and each and every owner of lots No. 3 and No. 4 in block No. 20 on the south side of said block, and each and every owner of lots No. 1 and No. 4 in block No. 20 on the east side of said block and the owner or owners of said lot, lots or parts of lots is hereby required to construct in front of his or her said lot, lots or parts of lots a plank sidewalk conforming to the following specifications, viz: said sidewalk shall be six feet in width, built of plank two inches thick and three inches wide blind nailed to five stringers of not less than 2 inches by 4 inches in dimension, said five stringers to rest on, or laid on sleepers not more than eight feet apart, said sleepers to be not less than 2 inches by 4 inches in dimension, and said plank sidewalk shall be braced nailed between each stringer with nails not less than four and one half inches long.

**SECTION II** – Said plank sidewalk shall be constructed in the center of the present graded sidewalks and the surface of said plank sidewalks shall be so constructed so that it will conform to the present established grade of said sidewalks, and for five feet on both sides of said plank sidewalk the grade shall be even with the surface of said plank sidewalk. All plank sidewalks shall extend over and across the sidewalks north and south of all the aforesaid blocks.

**SECTION III** – It shall be the duty of any person or persons desiring a drive or alley crossing across any of the aforesaid sidewalks to construct and keep in good repair a crossing not less than twenty feet wide of plank not less than three inches thick nor more than two inches wide, and said crossing shall be for the full width of the sidewalk.

**SECTION IV** – It is hereby made the duty of any person or persons that now or shall hereafter run any water across said sidewalk to construct and keep in good repair, a good substantial culvert for the full width of the sidewalk, and of sufficient capacity to carry all the water run across said sidewalk, said culverts to be set below the grade of said plank sidewalk and well covered with the same thickness planks of which said sidewalks are constructed.

**SECTION V** – The owner, or owners of all lots or parts of lots fronting and adjacent to the sidewalk to be constructed as hereinbefore provided for shall at all times keep said plank sidewalk in good repair at their own expense.

**SECTION VI** – The street crossings on the line of said sidewalks over and across Main Street on the east side of First East Street and Second East Street and over and across Second East Street and over and across Second East Street on the south side of Main and over and across First North Street on the east side of Second East Street, shall be five feet wide, with sleepers not less than eight inches in diameter rounded so as to be three inches higher in the center than on the outsides and set three feet apart across said crossings, and covered with 2 x 4 planks set on edge, blind nailed to the sleepers and braced nailed every three feet, with nails not less than 4 ½ inches long.

**SECTION VII** – Should any owner or owners of said lots, or parts of lots, refuse or neglect, for a period of sixty days from and after the passage of this ordinance, to construct such said sidewalk in front of his or her lot, lots, or parts of lots as hereinbefore provided for then, the Village road supervisor shall advertise for bids to construct the same and shall let the contract to the lowest and responsible bidder, and the cost of construction under the contract shall be charged against the village; to be audited and paid as in other charges, against the village and the village board shall upon due notice to the owner or owners so failing to construct said walk as aforesaid, at a special meeting by resolution levy a special tax upon his or her lot, lots, or parts of lots to pay the expense of constructing said sidewalk as a special assessment for improvements to be collected as other village taxes.

PASSED AND APPROVED THIS 8<sup>TH</sup> DAY OF APRIL, A.D. 1901.
