SECTION VII – That said assessments together with the interest thereon at the rate of seven per cent per annum from the first day of January A.D., 1918, being the date of the district bonds authorized by this ordinance until the maturity of the installments of said bonds are hereby declared to be a lien in the several amounts assessed against each lot or tract of land levied before described from and after the final publication of this ordinance and shall have priority over all other liens except general taxes.

SECTION VIII – The owner of piece of property liable for any special assessment herein made and provided for, may redeem his property from such liability by paying the entire assessment chargeable against his property in the manner now provided by law.

SECTION IX – Whereas, The City Clerk has heretofore published and caused to be printed in the official weekly newspaper of said City of Rexburg a notice stating in substance that the bonds of Local Improvement Dist. No. 9 authorized and provided for in this ordinance are about to be issued and which said notice also stated that the owner of any piece of property liable for any special assessment as in said assessment roll made and herein rectified, might redeem his property from such liability by paying the entire assessment chargeable against this property at any time between the 14th day of December A.D., 1917 and the 14th day of January A.D., 1918, the date first mentioned being the first day on which such assessment could be paid; and the last date mentioned

being the last day on which assessment might be paid, which notice further stated in substance that if payment should be made before the issuance of the bond, no penalty interest or costs would be collected and further stated _____ that all payments should be made to the City Clerk who should receipt therefor on all sums so paid in said Local Improvement Dist. No. 9, should be applied to the redemption of the bonds issued therefor. Now, therefore, the publication of said printed notice heretofore made by the City Clerk as evidences by the affidavit of publication thereto on file in said City Clerk's office is wholly approved ratified and confirmed.

SECITON X - The City Council or other lawfully authorized taxing officers of the City of Rexburg, shall, for the purpose of ratifying and confirming the assessment hereby made, levy special assessments each year hereafter sufficient to redeem the installments of bonds with interest next thereafter maturing as issued pursuant to the provisions of the ordinance and in computing the assessment of special assessments to be thus levied against each piece of property liable therefor, interest at the rate of seven per cent per annum from the date of the issuance of said bond until the maturity of the installments of said bonds next thereafter maturing shall be included in such levies.

SECTION XI – This ordinance shall be in force and take effect upon its passage and approval and upon publication in the Rexburg Standard, the official newspaper of said city.

PASSED AND APPROVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF REXBURG, IDAHO, THE 2ND DAY OF JANUARY, A.D., 1918.
