

CITY OF
REXBURG
America's Family Community

Resolution 04-11-1934

WHEREAS the department of Public Works of the state of Idaho has submitted plans for the improvements of the Yellowstone Park Highway within the corporate limits of the city of Rexburg, said improvement to consist of the paving of I. 723 miles within the corporate limits of said City, and to be constructed as national recovery municipal project No. II40C, and

WHEREAS, the allotment of the federal and state funds for the improvement is contingent on compliance with the law governing State highways and state highway traffic, availability of necessary rights of way and adequate provision for the maintenance of the completed improvement.

NOW THEREFORE, be it resolved;

1. That the location, alignments, grades and cross sections of the proposed State Highway improvement as shown by the plans are hereby accepted and approved.
2. That all right of way requiring for the improvement within the corporate limits shall be required and furnished by and at the sole expense of the city.
3. That the city does hereby agree to maintain the completed improvement to state and federal standards with or without cooperation of the department of Public Works.
4. That the City does hereby agree to improve and maintain at its own expense any portion of its street or streets on the route of said highway, not including in the proposed improvement, in such manner as to permit the safe and convenient use of the improvement by the traveling public.
5. That any drainage or irrigation gutters or structures not included in the proposed improvement and required for its proper maintenance and protection shall be provided by and at the expense of the City.
6. That the department of Public Works is hereby requested and authorized to erect and maintain standard route markers, stop signs, direction signs and warning signs where required on the state highway route within the municipal limits, subject however, to any municipal regulations governing the location and placing of such markers and signs.
7. That suitable measures shall be taken by the City to prevent the erection and maintenance of any advertisement sign, vending establishment or other structure or object encroaching on the highway right of way, or the platted width of any street constituting a part of the state highway route; or the erection or maintenance, on or adjacent to the state highway within the municipal limits, of any directional mileage, or other traffic signs referring to

points outside the corporate limits without the consent of the Department of Public Works.

8. That no speed restrictions other than those provided by the state statutes shall be imposed on any portion of the route of the proposed improvement except with the concurrence of the department of Public Works.
9. That certified copies of this resolution shall be furnished the Department of Public Works and the United States Bureau of Public Roads.

I hereby certify that the above resolution was passed at a special meeting of the Board of Councilmen of the City of Rexburg, held April 11th, 1934.

Attest:

City Clerk.
