## **Resolution 10-02-1970**

The following resolution was read:

Whereas, the city has just completed an extensive improvement program which includes a new storm sewer, new water mains, new curb and gutter, new sidewalks, and

Whereas, the City Council intends that this be a new beginning on a continuing program for beautification of the city and for orderly growth, and

Whereas there has existed for several years a permissiveness on the part of the city toward the parking of vehicles on sidewalks and on city "Right of Way" and the use of sidewalks to display merchandise for sale, and, said actions being in violation of city ordinances,

Whereas it is now deemed to be a most appropriate time to bring an end to these violations which have been allowed to persist heretofore, and,

Whereas the city now affirms that sidewalks are for people to walk on and that the City Right of Way between sidewalk and curb is for beautification, and safety, and therefore,

Be It Resolved that our police department be instructed to enforce our ordinances pertaining to parking on the sidewalk or in driveways, or the use of sidewalks for displaying merchandise for sale, and the parking of vehicles or placing signs or any other objects on the "Right of Way" between sidewalk and curb.

It was moved by Barton Jensen, seconded by Dick Davis. Unanimously carried.
