RESOLUTION FROM CITY TO FEDERAL COMMUNICATIONS COMMISSION PRESENTED

The Mayor presented a proposed resolution from the City to send to the Federal Communications Commission to give relief to the citizens of the City of Rexburg by making the non-supplication rules and regulations affecting the Mountain Time Zone conform to those rules that apply to the remainder of the United States, and setting forth that the City is unalterably opposed to the continuance of such discriminatory rules and regulations. It was moved by Glenn Petersen and seconded by George Catmull that such resolution be adopted. On roll call the following voted Aye: Glenn Petersen, Morgan Garner, George Catmull, and Nyle Boyle. The Mayor thereupon declared the resolution carried.
