Resolution 1976 Apartments

To whom it may concern:

The need for more apartments in the Rexburg area acute. Due to the Teton Dam Flood, many home have been destroyed. Although temporary housing through government mobile home is being provided, this will end in 12 to 18 months. Many will then need apartments.

In my opinion the present number of apartments is inadequate, making the need for more critical.

Sincerely,

John C. Porter, Mayor
