## **Resolution 1990 (2)**

Max Rammell asked if additional traffic studies should be done before a variance is granted. The mayor stated that the condition is and is and has been there.

Brad Liljenquist asked Jim Long if he was in favor. He said he was 100% in favor he helped design it. Jim also stated that it would not compound the traffic problem with the professional offices that it would if it was zoned R1 for residential or multifamily homes when they build on that property. He would like to design the sidewalks if they are put in.

Bruce Sutherland declared a conflict of interest. He said the traffic committee would do more study on the traffic problem.

A motion was made by Nyle Fullmer that under the recommendation of Planning & Zoning and the petition that was circulated that we approve the project to be Zoned Limited Commercial. Seconded by Farrell Young. All Aye

### **RE: APPROVAL OF THE NEW BUILDING REQUIREMENTS**
