

CITY OF REXBURG

Resolution 2005-08

Dated: July 06, 2005

Whereas interchanges on Highway 20 south of the South Rexburg Interchange will have a direct impact on the use of the South Rexburg interchange, and on the flow of traffic into and out of the City of Rexburg; and

Whereas the City of Rexburg has a direct interest in the highway planning as it affects transportation into and out of Rexburg; and

Whereas the Rexburg City Council believes that both Alternative T-G and Alternative T-A are necessary to address the substantial growth being experienced and forecast in Rexburg and south Madison County, and in light of the interchanges which have been built and are being built north and south of Rexburg; and

Whereas the Rexburg City Council believes that construction of both Alternative T-G and Alternative T-A will provide for the most efficient and safe flow of traffic into and out of Rexburg by sharing the traffic load most efficiently and most safely with the South Rexburg interchange

Now Therefore Let It Be Resolved That

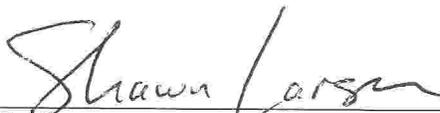

The City of Rexburg requests that the Idaho Transportation Board approve and provide for construction of both Alternative T-G and Alternative T-A; and

Be it further resolved that if budget and construction schedule considerations require that these projects be phased over time that Alternative T-G be built first, and that in either case a frontage road connecting Alternative T-G and Alternative T-A be built on the west side of Highway 20 to provide for adequate access for the national tourist destination Yellowstone Bear World located in south Madison County; and

Be it further resolved that access to affected businesses and local residents be maintained open with routes clearly marked during construction; and

Be it further resolved that appropriate and attractive zero water landscaping be included in the design and construction of these interchanges, and that the Idaho Transportation Department consult with the City of Rexburg in determining signage for these and existing interchanges around Rexburg.

Adopted this 6th day of July, 2005

Shawn Larsen, Mayor

Attest

Blair D. Kay, City Clerk
