

## Dental Blue Connect Orthodontic Care

As part of your Dental Blue Connect plan, orthodontic treatment benefits are available for adults and children. There's no waiting period and you can enjoy a predictable, low copayment, giving you and your family access to affordable orthodontic care.

Willamette Dental Group is committed to providing the quality care necessary for orthodontic treatment. Licensed orthodontists practice a proactive approach to dentistry, which means you will receive the most appropriate care based on your individual needs. In order to receive these benefits, all treatment must be provided by Willamette Dental Group providers.

In addition to standard braces, Willamette Dental Group offers Invisalign® treatment as an option for patients at an additional cost. The suitability of Invisalign treatment for each patient is determined by his or her Willamette Dental Group orthodontist based on several factors including alignment goals, patient cooperation and current oral health.

# Orthodontic Treatment for the Entire Family

## Getting Started

Each patient must first receive an initial evaluation from a Willamette Dental Group general dentist to determine if he or she is a candidate for orthodontic treatment. Call 855-433-6825 to schedule an appointment.

After you receive a referral from a Willamette Dental Group general dentist, you'll schedule an appointment with a Willamette Dental Group orthodontist for your pre-orthodontic consultation.

This consultation includes an initial exam, as well as X-rays, study models and an extensive oral evaluation. The cost for this service is a total of \$150. These non-refundable fees are credited toward the total cost if you proceed with orthodontia treatment.

For more information about orthodontic services, call 855-433-6825, and select option 3 to speak to a member services representative.

## Pre-Orthodontia Consultation Fees

**Initial Orthodontic Exam: \$25**

**Study Models and X-rays: \$125**

**Case Presentation: \$0**

These non-refundable, pre-orthodontia consultation fees are credited toward the patient's cost of treatment if the patient proceeds with treatment.

## 2016 Orthodontic Copayment

Copayments up to \$1,500\* are required at the time of banding. Balances of more than \$1,500, if applicable, may be spread over payments during the next 12 months.

*\*Invisalign treatment has additional charges.*
