## **4. New Business:**

- As I drive to work on the Yellowstone Highway going south, I notice quite a bit of foot traffic on the tracks and in the pit between the road and the tracks. Do we have any plans for beautification or improvement of that area including grass, sidewalks or bike path? It might be a good place for that type of improvement. Roscoe
- IVY apts. street lights - this is an accident waiting to happen
- Light pole concrete footing by Papa Johns Pizza, this is a tripping hazard. The anchor bolts have been bent over but when covered with snow it is not visible and dangerous.
- Possible Flashing crosswalk installation for crosswalk on South 2nd east up from Walgreens lane striping for turn lanes at the Willows and Norhpointe intersections. It is had to tell where the lines are.
- Signage on University Blvd and Yellowstone and also the Temple.
- Letter in Standard Journal, see Rexburg has pedestrian problem
