FORWARD

Mayor: Jerry Merrill
 City Council Representative: Tisha Flora
 Recreation Director: Jeff Crowther

Dear Residents,

We would like to thank you all for your support of our programs and events that were held during the fall. We hope that they provided the many wonderful benefits of recreation. The Recreation Department is striving to provide the best opportunities for the citizens of Rexburg to be active and healthy. We're very excited about the programs that we have to offer for this winter.

With our new addition of The Zone, we can now offer Indoor Soccer for youth and adults and Women's Volleyball. Boys Basketball will be starting up again and this year, our youth sports programs will have the benefit of practice times available at The Zone. We would like to invite everyone to reserve courts for their private leagues, dances, parties etc. at The Zone. Don't let winter keep you from being active. Come be a part of the fun at The Zone.

We recently received great news that the City of Rexburg was nominated to receive a High Five Transformation Grant of \$250,000 to promote healthy eating and active lifestyles for youth. This will have an amazing impact on the citizens of Rexburg, especially the youth.

Lastly, to show our dedication to improving the Recreation Department, we have restarted the Recreation Advisory Board so that we can reach out to the community to get input on how we can serve Rexburg's citizens better. Your input and suggestions are always welcome as we strive to make the quality of life better in this great city of Rexburg. We are dedicated to working hard so that you can play hard.

Sincerely,

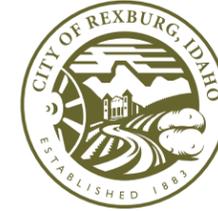

Rexburg Recreation Department
